T-TIMELY	<input type="checkbox"/> Goal has a date in which the students want to complete it

List 3 ways you will track your progress

1. No missing assignments
2. Keep Universal binder organized
3. A planner system to keep track of my homework

What pieces of evidence will you collect to show that you are working towards your goal and where would you get them?

1. Printed reports/pictures of IC of assignments
2. Pictures of organized Universal Binder
3. Pictures or explanation how I am keeping track of homework

What are your actions steps that you will take to insure that you will complete your goal?

1. Get Universal binder organized based on the video on the Stuart website
2. Check Infinite campus every Friday for missing assignments and print/take a picture of findings
3. Use Thursdays in Connect 21 to go through and organize my Universal binder if needed
4. When given time in class or at the end of class make sure that all papers are put in the appropriate place and not just in the front of my binder pocket or in a random folder
5. Use homework folder system in universal binder
6. Take my whole universal binder home when I have homework and not just the folder
7. Record my homework in my planner and highlight it, when done cross it off
